

## FREEDOM LIFTM8

### Technical Features:

- Light weight Aluminium frame weighing only 20kg- makes unit easy to handle and manoeuvre.
- The Freedom Lift M8 is available in two lift heights 800mm and 1000mm
- The winch is marine grade with “memory free” Kevlar rope
- Can lift up to 100kg
- Removable legs and folding forks makes the unit compact and easy to store.
- Tyres are filled with foam so that operation of the unit is smooth.
- Simple manual winch to operate the lift.
- Unit available with suction cups which are useful in applications where items such as Televisions, filing cabinets and glass panes are being handled.
- This unit is ideal for home deliveries etc as it is light, compact and easy to store
